

Medical certificate for Au-pair

I herewith confirm that Mr./Ms.....

Is in good mental and physical health without any contagious diseases and that her status of teeth is free of lacks. There are no medical objections towards a stay as an au pair abroad.

Doctor's remarks

Please list eventual allergies, illness, incompatibilities , etc, that might be important with regard to stay abroad and caring to children:

.....

Is the status of vaccination for Tetanus, Polio, Diphtheria sufficient?.....

Results of blood-test:

- | | | |
|-------------|-------------------------------|-------------------------------|
| Hepatitis A | <input type="radio"/> Negativ | <input type="radio"/> Positiv |
| Hepatitis B | <input type="radio"/> Negativ | <input type="radio"/> Positiv |
| Hepatitis C | <input type="radio"/> Negativ | <input type="radio"/> Positiv |
| HIV | <input type="radio"/> Negativ | <input type="radio"/> Positiv |
