

Au-pair info to the visa application

Hello, Aupair applicant,

If you are from the NON-EU-Country you need the Aupair visa for your Aupair stay in Germany.

After you have received your documents from us, you have to go as soon as possible to the German embassy in your homeland and apply for your Aupair visa.

You require the following documents:

- 1. The signed invitation-letter of the guest-family.**
- 2. The signed Au-pair contract.**
- 3. The copy of our particular permission as employment agency.**
- 4. A valid passport.**
- 5. Passport photos (4 pieces).**
- 6. A medicale certificate that is not older than three months. (Download)**

After you have applied for the visa, please report immediately to our agency (Aupair-in-Germany.de) by email or fax.

You should remain in contact with your future host family during the whole processing time because the whole processing can last up to 12 weeks, and this requires much patience from you and your host family.

If your application has arrived in Germany, we will inform you and you host family.

Please ask frequently at the embassy about the stand of the things by telephone.

If you have questions contact our agency.

Good luck and success !

Your agency Aupair-in-Germany.de
